

# Adrian Lopez

## Overview

### Overview

Adrian was once nothing more than some construction worker in Santiago. Nothing more than a mortal, unaware of the deeper parts of his world, the darker parts of that world. He was unaware of anything. Till he noticed that new guy at the bar. And he poured him a glass of wine. What he *thought* was wine. And then he did it the next night. And then when he did it again, *she* smiled, and despite the way her face contorted into something else when they went to his house after, he wanted to serve her.

Adrian went from being a standard run of the mill man to the Ghoul of Lilia Musielek, into being her vassal, and protector. It was he who helped smuggle her out of Europe, out of Sabbat-controlled Spain and into the New World. All for the chance of being kissed by her. Even if before, he'd only ever had eyes for men.

Resources

Adrian managed to get a job when he moved here. Past experience, and a fair amount of liquidated assets back in Spain give him a comfortable allowance, and a high standard of living, one that he

often seems to devote to his Domitor.
