Overview

Overview

Alessandro Giovanni is often known to be quite distant with other members of his clan. This is because he is often seen as unapproachable, and typically Ruthless in the manner of dealing with problems. But while being quite distant from his clan, he is often very protective of it. And will go to any lengths to make sure that his clan is safe.

Appearance

Alessandro Giovanni is Well groomed and Is rarely seen dirty or looking disheveled. he is typically seen in either formal or semi-formal attire depending on the environment in which he is in. When he is doing any type of job, or meeting, or something that has to do with his family. Alessandro is often seen wearing a Black, never Blue Three Piece suit. the reason why he likes his suits to be black is because, he believes that he looks more attractive in the color black and not the color blue. He always wears a Black Diamond watch on his right hand. Alessandro wears that watch with just about every Outfit that he wears. But in his personal time, he often dresses in semi-formal attire.

Personality

Alessandro Giovanni is often viewed as reserved and doesn't really talk to people unless it is required of him. This is often true, there are certain people that have broken through that filter and see the true him. This Alessandro that only few have seen, is someone who is dedicated and willing to go to extremes, if it meant protecting the person or people he loves. This is often what makes him the most dangerous adversary. He is willing to wade to blood and body to find the person who has hurt his people.
