History

History

He was born in Aberdeen, Scotland on 6th of December 1955 to family of local farmer Shaun Mccragge. His mother died after his birth, so Shaun treated his youngest son like shit because of it. 5 children in the house, and Bethor (Dean is his mortal name) had it hardest of them all. Because of his father prefference of his older siblings before him, he hated them all equally, because his siblings were asholles too. Right after he became a adult, he moved to Munich in the West Germany. There he was working as bouncer in clubs and overall he worked in security. He still attended the church, but he converted to Catholicism instead of Protestantism. On one January cold night of 1995, he was coming home from work in club called Scorpion. He came back to his appartment, only to find out that someone broken in, and as he entered...well..he was embraced. Since then he servers loayaly to Sabbat*
