She never left the 2000s fashion. Low rise jeans, tank tops, and high heels are her usual get up. As a large array of stripping outfits, but she wears a long silk pink robe to cover herself before she goes on stage.

History

History

Grew in basic middle class family and wanted to be a model. Dropped out, left home (she was kicked out) and went to LA. Discovered that modelling was actually hard and struggled to book jobs, turned to stripping. She met her sire, Madeline, when she was having a smoke break and a little girl wouldn’t stop starring at her. The rest is history, Madeline was turned as a child and Jennifer became her ghoul so that Madeline could access certain places that don’t allow children. This would be a long last relationship of over 20 years and Jennifer would die trying to save Madeline from hunters.
Madeline was able to fend them off, and in return for her bravery, Jennifer was turned. But this brought an end to this relationship as Madeline could no longer bear having her childe be her slave, so Jennifer was forced to leave. Which she totally handled like a champ. No hands and knees begging. So now she’s here and trying to make it for herself.
