Leo McKenzie

Overview

Overview

A Baltimore native who caught on the modeling scene since the early 1980s, embraced by his sire who happened to fancy his good looks for someone in his 30s, he took his newfound immortality and begun a slow and steady run of human trafficking ring in the area in 1998. He is currently caught up as a manager of several very popular OnlyFans models in the Baltimore area.

Status
He has the favorable disposition with his sire, Valerie, an Anicilla of Clan Toreador, where she had made sure he has independence to do as he likes, within reason...and for the good of the clan and the Camarilla.
Other

Prey Exclusion: Leo cannot feed upon virgins, this applies to both men and women, must sleep with them, consent or not.

Special Responsibility: To maintain favor with his Sire, Leo must provide a steady flow of humans for the clan, preferably the women he brings in through his management of his small OnlyFans empire.

Leo wears with a resting smile on his face, fooling strangers with his welcoming vibes, he wears a leather jacket over the a t-shirt, the one thing he has missed during the days of latex and spandex

was when wearing leather jackets was all in the craze.

History

History

Leo has a fascination of the female form, but knowing he cannot just have this interest be his only way of know what compliments them the best, as he goes into the modeling industry, never having the true talent to take photos or make fashion designer clothes, he decided to handle the finances of the scene, there he met his Sire, Valerie Simmons, the Anicilla knew the value of Leo's looks, she knew he was no good at modeling, nor even create, and she gave him the Embrace.

Since his Embrace into the clan, he felt his drive for creation burn in his dead heart, but did not have the talent, but he worked closely with the models of the 80s to the present nights, finding his calling when Only Fans went viral and mainstream when selling softcore and hardcore pornography, and there he took the plunge in this obsession,
