History

History

Mr. Hood didn't grow up as royalty, but he grew up as an aristocrat, so what is the difference. As an adult he was being groomed to be embraced as a Ventrue, his sire would have been the Prince. However a spiteful Nosferatu found out the Princes plans and embraced Mr. Hood first.
It took some time for Mr. Hood to come to terms with what had happened. but after realizing he still had the potential, he wasn't going to waste his time among the rats. he was going to build his empire as he would have before.
