History

History

A pretty basic dude who went about his basic life doing basic things. He never really stood out, being happy to keep to himself. Needing someone to assist him in Baltimore, Viorel Ginter snatched the nobody up, ghouled him and started forcing the guy to work under him. Pablo now works as the main employee of Inkblot and Quill, maintaining the residence, stock and employees for his master. Other jobs include driving his master to places, scouting out prey and general busywork.
