Zeke

Overview

Overview

Born twice now into a society where the strong are rewarded and the weak are punished, Zeke understands that fortune favors the bold. He can be a little brash, but generally displays a certain amount of bravado, belligerence, and ambition that embodies the Lacombr.

Zeke is a frequent patron of the night club scene. His "bad boy" looks attract all the right attention, making for an easy meal. He keeps several regulars on speed dial for when he makes his way into the city proper.

Face Claim

Jord Lidell

What Zeke lacks in stature he makes up for in confidence and swagger. He is always armed with a grin that keeps others uneasy and guessing at his motives. His eyes are menacing and lend themselves to a dark and dangerous aura. His entire upper body is covered in tattoos of great, big creatures like elephants or giant squids and their trunks, tusks, and tentacles embracing him.

History

History

Olivia was targeted. She made him feel weak for the first time in a long time. He bounces back against it.
