History

History

poor are the kiasyd line, poor are their blood and their curse..but sometimes just sometimes a person embraced by one isn't as damned as people make them out to be. Enter Rue Maria, a 20 year old woman who had been born in a turmultuious time, never destined to become anything greater then a mortal. or so people thought, when the sabbat came so did a kiasyd who wanted the lonlieness gone for even just a while. thus in 92 she was embraced, and taken to her sires haven, for 10 years she worked with her sire, taught knowledge that only they could have, but this didn't last forever, no, her sire abandoned her andl she found her way selling to the highest bidder. when the camarilla came in they became the highest bidder. promising her a bit of domain where her sires old haven was if she told them all she new, so she did. Then she started her own occult store, catering to the witches and

pagans, growing a community. it quickly blossomed and filled a niche. Should other odd customers come in no one paid them any mind, why would they when they have seen weirder.
