Samson Roland

Overview

Overview

Samson Roland is known for his long and steadfast dedication to the defense of the Camarilla. He was a few years late in coming to the liberation of Baltimore as he was on the west coast, beheading Sabbat infiltrators in service to a Justicar as her Archon.

Though Brujah and Ventrue often butt heads, after Samson executed a Ventrue prince in Arizona for his failure to root out said infiltrators, it seems the differences between him and the clan are insurmountable.

These nights he's set aside the title Archon, and his goals are less obvious, though he serves the Prince and Camarilla in defense of the city.
