Sean O'Brien

Overview

Overview

Sean has been the only ghoul Tabbris has been able to stand for longer than a few years. 10 years since he's been working for the Salubri, and it's honestly been pretty great.

Just keep his head down, do what the Salubri asks without question, and in return he gets to be young and sharp for the rest of his life (regardless of how long that is)?

That's a deal with the devil he's more than willing to make.
