

# Xavier Langdon

## Overview

Overview

Xavier Langdon, or as he prefers "XL" is a manager in most respects, he watches for opportunity, takes care of his clients and makes sure to exploit any advantage he can get, all while making a neat and tidy profit for himself.

Focused and driven to achieve his goals, XL keeps a smile on his face and a witty remark in reserve for most and a clenched fist and a rock, or in some cases a bullet for others.

XL prefers to keep his business and personal life separate as many kindred do, his work is not his life though he will dedicate 100% of his energy to it to reach his goal.

Face Claim

James Spader

Xavier dresses in more formal clothes similar to a Ventrue or a Toreador than the rest of his clan normally do. preferring to maintain a mortal visage for the most part and wearing dark colours as most of his fellow kindred do.

He often wears hats and coats to most functions, his various layers let him keep most of his equipment hidden.

He has a pale and slightly sunken expression as a result of age before his embrace.

# History

## History

Xavier was initially embraced into the Sabbat sect by his sire, he took to his new unlife with zeal realizing he had a whole new potential for his fighting and fighters whom he was already involved with before the embrace being a well known fight manager in the mid eighties.

However around 2015 Xavier started to question things, the methodologies of the Sabbat had become more savage, more depraved. The blood feasts started to become more morbid than anything and he was becoming more and more unsettled by his brethern. Knowing what the Sabbat did to "Doubters" Xavier decided to run for it before they could, leaving his pack and sect, taking his ghoul with him.

He ran for a little while before landing in Baltimore, putting himself at the mercy of the Kindred of the Camarilla and swearing he wished to abandon his Sabbat ways he was allowed to stay and try to prove himself as a newly made Camarilla member. Since then he's been operating out of South Baltimore building up his new business "XL Fighters" and now is eager to prove just how useful he can be.
