Zayn Cox

Overview

Overview

"*Here for a good time, not for a long time.*"

Zayn is a go-go dancer, and proud of it. He enjoys showing off his body, the thrill of adoration, and seeing the look of lust in the eyes of his audience. He'll give you a teasing show as long as you've got a few dollars in your hands, but if you want to see more, subscribe to his OnlyFans. ;-)

Recently, Zayn has become the ghoul paramour of Simon, the Setite owner of Scandal nightclub.

Resources
While most of the money he makes serves the Setite temple, the rest of Zayn's tips are disposable income, allowing him to splurge more than someone else might be able to at his income level. He can make anywhere from $150 on a bad night to $500 on a good night.

Zayn is slender with muscle definition, maintained by a regular gym routine and his profession as a go-go dancer. Blonde-haired and blue-eyed, his skin is healthy and fair, though he can tan if he spends time in the sun. There are several large freckles scattered around his body, a few on his face, and a few that decorate his back. He is proud of his physique and appearance, with perhaps one flaw: he never could afford braces and his teeth always seemed too and far apart, especially on top.

History

History

2001 - 2022

Zayn grew up poor as dirt in a trailer park. How he survived the meth labs, skinheads, sex offenders, and toothless sociopaths is a story that he's not interested in telling. The past is gone, it's a waste of time to dwell on it.
Not interested in complaining how he never learned to drive because his guardians couldn't afford classes, or even their own car. He doesn't want to talk about the fact that he somehow got a scholarship to college, promptly dropped out within the first year, and then managed to get fired from every job after that until he finally got a gig go-go dancing at a gay club. And don't you dare ask him about the future, either. Zayn doesn't *know* what he wants to "be when he grows up."

All that matters is tonight. Right now. This momentary reprieve. The vibrations of bass as the music blasts through the club. The neon colors of the strobe lights reflected in his eyes as he looks down at you and writhes his body to the beat, a little closer to your hand until you finally tuck the cash between your fingers into the elastic of his underwear...

2022 to present

Zayn landed a job dancing at Scandal, where he met the vampire, Simon. The Setite saw potential in Zayn's ability to corrupt and began testing Zayn's limits, seeing how far he would allow his vice to take him. After determining that he would be a good fit, he ghouled Zayn and took him on a trip to Egypt, where Zayn learned more about the Followers of Set. He has been bonded to Simon and now worships Set, believing his talents were always meant to serve this purpose and he just didn't see it until now.
