In addition to regular medical knowledge, Zzuldor has a contact in the black market deal who specializes in the organ trade name Damien Rite. Through him, Zzuldor, if ever needed, can get information on other shady individuals or obtain illicit items he may need.

Mentor

Resources
Zzuldor exceptional skill in medicine has earned them much fortune from mortals (when he appears mortal himself) and Vampires seeking his fleshcrafting and normal medical skills, either as intended or as a form of torture.

Retainers
Zzuldor chosen to employ one, exceptional Ghoul servant over multiple ones. The Ghoul's name is Michael and Zzuldor avoids indulging in the more creative side of Vissicitude with him purely out of a pragmatic sense of not wanting him becoming a problem considering he's the 'Eggs in one basket' approach. They still provides the Ghoul beneficial flesh crafting.

Face Claim

Zzuldor's appearance can change wildly as he sleeps. His original appearance has long since been discarded. He has appeared as humans of many different skin colors, sexes and body types and can appear normal... and at other times he can appear as utterly horrific, near alien in appearance, which he approves of as much as he does appearing as a normal human.

History

History

Born Kayne Miller from a medical doctor and a house wife, the boy from an early age set himself up as being an extremely off child. He was exceptionally quiet and only spoke when spoken to or prompted to do so. He kept himself orderly, performed tasks asked of him, excelled in school and was shaping to be a a fine medical doctor. Upon becoming an adult and a titled physician, Kayne found himself with the occasional thought of looking at himself and feeling the him he saw in the mirror wasn't himself. Often he considered taking a scalpel and cutting away till he got something more in line with what he wished for but reigned in such impulses under the common idea that he'd die before becoming satisfied from how he'd look.

It was during his time as a doctor that he'd be approached by a gentleman who looked to be carved from a famous artists' dreams. Every feature for perfect to the point that it actually gave Kayne an off feeling from how perfect the man's facial structure was. The impeccable man explained how he'd been watching Kayne for sometime and recognized the hidden desire he had for himself. Rather than feel alarmed over a strange recognizing his desires and admitting to spying on him, Kayne felt an odd sense of fulfillment to have someone who understood his wishes. The man proposed an offer to Kayne: Become his servant and he'll grant him the ability to make himself appear exactly as he wished.

Kayne accepted with no hesitation in his answer.

The next several years were spent in the presence of his Sire and taught everything the perfect man could offer him, even giving him more training in his medical skills. When Kayne finally perfected his first usage of Vicissitude and found the form he was comfortable with, he felt his old name no longer truly matched him. Reaching deep within himself, he found the name of which he'd carry on from then on, the only persistent thing to keep up with him as his appearance would change extremely constantly:

Zzuldor.

Zzuldor's Sire, as an oddity among the Fiends, was not a part of the Sabbat, something the Sword of Caine took issues with and in recent years delivered Final Death upon. Zzuldor escaped the same fate and went on to join with the Camarilla, albeit under extreme suspicion. Zzuldor minds the Traditions best as he can despite his commitment to the Path of Metamorphosis. Still, he provides the fleshcrafter's skillset to the Camarilla whenever possible, both for maintaining loyalty and always eager to put his creativity to use, either for medical purposes or to provide nothing short of the finest sewn shirts around.
